POP Fender for B2B is sold in cartons of 15 fenders. Minimum order quantity is 1 carton with a total of 15 POP Fenders. You can order in increments of 15 fenders (e.g. 15, 30, 45, 60, and so on).

When ordering, please note your color preferences (e.g. 15x white – zinc yellow, 12x black – light blue,...).

Additional costs apply for shipping.

A FAIR MARKET ECONOMY IS IMPORTANT TO US!

We produce in Central Europe, pay fair wages, pursue sustainable practices and expect the same integrity from our partners.

That's why we would appreciate if you honoured our recommended retail price of € 142,- incl. VAT for one POP Fender.

It is in everyone's best interest if there is no price dumping. Thank you for your cooperation!
